Get involved in a dynamic research project!

Are you the Parent of an Adolescent with Autism Spectrum Disorder?

Is your child secondary school-aged (around 12-16 years old)?

Does your child study in a mainstream school?

If so, we would like to hear from you!

Purpose:

This study will look into the experiences and views of Adolescents with Autism Spectrum Disorder on the factors in school environment that are significant to their safety and wellbeing.

Participant will be asked to complete four sessions:

1. Participate in an introduction meeting with the researcher
2. Take photographs of the things and spaces significant to participant’s safety and wellbeing at school
3. Participate in one 60-minute interview to elicit the photos taken
4. Take part in an information verification meeting

Recompense for time:

Participant will select a gift from iTunes, Netflix, Dymocks, EBGames or Officeworks. The value of a gift card will be pro-rated at $20.00 for each session they participate in. The total value of the gift card will not exceed $80.00.

If you agree for your child’s participation and s/he wishes to take part in, please contact us for a formal invitation and details of the project to be sent to you.

Get involved in a dynamic research project!

Are you on the autism spectrum and secondary school-aged?
Do you study at a mainstream school in Victoria?

Then you are invited to participate in a photo-elicitation research project!

Purpose:
This project is to understand the experiences and views of adolescents with Autism Spectrum Disorder on the factors in school environment that are significant to their safety and wellbeing.

You will be asked to complete four sessions:
1. Participate in an introduction meeting with the researcher
2. Take photographs of the things and spaces important to your safety and wellbeing at school
3. Participate in one 60-minute interview to elicit the photos you take
4. Take part in an information verification meeting

Recompense for your time:
Participant will select a gift from iTunes, Netflix, Dymocks, EBGames or Officeworks. The value of a gift card will be pro-rated at $20.00 for each session you participate in. The total value of the gift card will not exceed $80.00.
